Junior / Youth Members

Parents and guardians are warned that the Club is only able to provide rescue facilities during the hours of Club racing or prescribed sailing periods (e.g. training courses or social sailing). Outside these hours, parents and guardians have sole responsibility for their children and wards and, regrettably, the Club cannot provide supervision or control of junior / youth members at any time. Even during club racing, the Club cannot accept responsibility for children or any other person not engaged in racing.

The Club has a Child Protection Policy in line with the RYA. From time to time, at special events and during training, photographs and videos may be taken for use in the Club's newsletter and training videos. Please indicate below if you agree or disagree with this.

As parent/guardian to the junior members named above, I agree to be responsible for him/her/them at all times.
