**Galley Facilities**

Tea, coffee, squash & biscuits for members are included in the above membership fees. Additional items are available for purchase and an honesty box is provided for such purchases and for the purchase of refreshments for guests.

**Duties**

ALL members are REQUIRED to assist in the running of the Club by undertaking at least one of the following tasks:

- Race Officer or Assistant,
- Safety Boat Helm or Assistant
- Duty Officer

Members are expected to carry out at least 3 duties during the year. You will not be asked to carry out any duty without first receiving the appropriate training. Under no circumstances will you be asked to carry out a duty that you believe beyond your capabilities.

Sanctions will be imposed upon anyone who refuses to carry out a duty or who persistently 'forgets' to turn up.

**Junior Members**

Parents and guardians are warned that the Club is only able to provide rescue facilities during the hours of Club racing or prescribed sailing periods (e.g. training courses or "free" sailing). Outside these hours, parents and guardians have sole responsibility for their children and wards and, regrettably, the Club cannot provide supervision or control of junior members at any time. Even during club racing, the Club cannot accept responsibility for children or any other person not engaged in racing.

The Club has a Child Protection Policy in line with the RYA. From time to time, at special events and during training, photographs and videos may be taken for use in the Club's newsletter and training videos. Please indicate below if you agree or disagree with this.

As parent/guardian to the junior members named above, I agree to be responsible for him/her/them at all times.

I agree / I do not agree to him/her/them being photographed for Club use only.
